Yearbook Connection Student Info/Permission

What to Bring

1. _____ This permission form signed by your parent/legal guardian.
2. _____ Magazines, scissors, and glue sticks for creating your layouts. We will have some supplies of these items, but more are always helpful.
3. _____ A 2010-2011 school year calendar to plan deadlines and your book and ad sales campaigns.
4. _____ Your 2010 yearbook as well as extra copies to exchange with other schools.
5. _____ Photographers: You must bring your own digital camera and optional flash unit. We recommend a digital SLR camera.
6. _____ All: If you have your own laptop, you may bring it to the sessions. Be sure to have InDesign installed if you are attending inDesign training. Don't forget the power cord! Contact Steven or Thomas with questions regarding the installation of InDesign.
7. _____ Art/theme ideas to discuss with a Creative Artist to develop your cover for 2011.
